Living Up To Our Name

By Rich Henderson, Director

...whatever you do, do all to the glory of God. 1 Cor. 10:31b

It is a weighty responsibility to volunteer with Love INC. Think about it. An unchurched person called an organization named **Love In the Name of CHRIST** asking for help, and **YOU** show up on their doorstep!

I once became aware of a situation where Love INC volunteers failed to live up to our name. The client needed help moving. Some volunteers showed up late. Some left early. Some had a terrible attitude. At least one failed to show up at all. Just when I was getting really steamed over the quality of work done that day, the Lord convicted me, "Rich, you've done the same thing."

The Holy Spirit reminded me of times I had shown up late at a client's home. I remember thinking at the time, "Hey, what do they expect? I'm just a volunteer. It's not like they are paying me for my work. They should just be happy I bothered to help them at all."

What do they expect? They expect a representative of **Love In the Name of CHRIST** to meet their need. I felt convicted that unless we plan to change our name, I had better dramatically increase the quality of **my** service. This realization also drove home the point that I can't do this on my own. I need the Lord's help.
